Financial Department.

SIR,

I have the honor to state that Government in their order No.1475-76 Muz.271-25-2 dated 19th May 1926, para 7 (b) have directed that a sum o Rs.22817-15-8 being the net result of certain untraced credits and debit found during the determination of balances of institutions as on 30-6-25 be treated as 'Reserve' for meeting claims if any that may be preferred on behalf of institutions after due investigation. So far only a sum of Rs.659-15-9 has been paid out of the Reserve during these 5 years and it is not likely fresh charges would be preferred. On 30-10-28 a sum of Rs.979-9-2 was credited thereto being the closing balance at the credit of the defunct Sri Mulastaneswara temple in Nanjangud Taluk under the Rules in force then. There is therefore a sum of Rs.23137-9-1 at the credit of 'Reserve' at present. This amount is lying idle without earning any interest or benefitting other institutions. Of late years the demand on the interest earnings of the General Muzrai Fund has been great and the fund formed in 1920 has not been supplemented recently.

In these circumstances I beg to submit that the balance shown as 'Reserve' may be credited to General Muzrai Funds and invested in Fixed Deposit and the interest utilised for the purposes for which the General Muzrai Funds are used. By doing so, the General Muzrai Fund will have an additional income of Rs.400/- or thereabouts every year over and above its present income. I request that sanction of Government may kindly be obtained for investing at least Rs.20,000/- out of the 'Reserve

~~Reserved~~ for the benefit of the General Muzrai Fund to which it should naturally belong.

I have the honor to be,
